

Luxi (Aaron) Tang 唐禄玺

Field Service & Technical Coordination · CRRC Ziyang Co., Ltd.
Cootamundra, NSW & Melbourne, VIC, Australia · aarong3w6.oo@gmail.com · luxi-tang.github.io

PROFILE

I work on locomotive projects in Australia for CRRC Ziyang, supporting customers on site and coordinating technical matters between Australian operators and our engineering teams in China. I'm part of the company's market group, with a focus on understanding customer needs and the Australian rail market.

EXPERIENCE

Field Service & Technical Coordination Nov 2025 – Present

CRRC Ziyang Co., Ltd. · On assignment in Australia (Cootamundra & Melbourne)

- On-site service support for locomotives delivered to Australian rail operators
